CELEBRATE

APRIL 29, 2023

SOCIAL CAPITAL EVENTS • ARVADA, CO

Your support of CELEBRATE and Minds Matter Colorado
will sustain our mission and commitment to giving every student access
to the **people** (mentors), **preparation** (Monday night sessions),
and **possibilities** (summer programming, scholarship help, etc.)
to succeed in college, create their future, and change the world.

MINDS MATTER
COLORADO

WHAT YOU CAN EXPECT FROM THIS YEAR'S EVENT:

- **Inspirational** student speeches
- **Joyous** college acceptances
- **Beautifully crafted** dining + cocktail experiences
- **Opportunities to connect** with fellow attendees, supporters, mentors, volunteers and MMCO staff
- **Energizing** ways to get involved

Did you know that only 1 in 4 low-income Colorado kids will go to a four-year college?

This lack of access to higher education propagates an intergenerational cycle of poverty, a cycle that continues to hurt **all** Coloradans. **The good news is there's a way for these deserving students to get into and pay for college, and break the intergenerational cycle of poverty.**

Minds Matter Colorado is working to improve the educational inequities in our state and support driven and determined students on their paths to success.
